Joel Skousen, one of the world's foremost experts on home security, retreat preparedness and strategic relocation, says that no preparedness plan is complete unless you've taken into account the single most critical threat we face during a widespread emergency.

Strategic Relocation: Where To Go When It Hits the Fan

Artwork by Mel Hunter (1959) As you probably already know, "strategy" refers to the science of successfully fighting an entire campaign or war, while "tactics" refers to the science of successfully fighting a single battle. Predictably some military strategy and tactics are general enough to apply to interplanetary combat, while others do not work at all in the space environment.
