

methods of teaching vocational pdf

Teaching Resources. Teaching resources are documents that can pertain to any aspect of teaching. (Syllabi have their own listings under Project Syllabus.)Instructors have generously shared classroom activities, annotated bibliographies, film guides, lab manuals, advising aids, textbook compendiums, and much more.

Society for the Teaching of Psychology - Teaching Resources

Education is the process of facilitating learning, or the acquisition of knowledge, skills, values, beliefs, and habits. Educational methods include storytelling, discussion, teaching, training, and directed research.Education frequently takes place under the guidance of educators, but learners may also educate themselves. Education can take place in formal or informal settings and any ...

Multiple Intelligences & Learning Styles. People solve problems (to "make it better") in all areas of life. When we're solving a wide variety of problems, we can think productively in a variety of ways, as described in a theory of MULTIPLE INTELLIGENCES developed by Howard Gardner. While we're trying to help students improve a wide variety of abilities, we can develop teaching strategies that ...
