The MG T series is a range of body-on-frame open two-seater sports cars with very little weather protection that were produced by MG from 1936 to 1955. The series included the MG TA, MG TB, MG TC, MG TD, and MG TF Midget models. The last of these models, the TF, was replaced by the MGA.. The TF name was reinstated in 2002 on the mid-engined MG TF sports car.
