ZIMBABWE

A bank is a financial institution that accepts deposits from the public and creates credit. Lending activities can be performed either directly or indirectly through capital markets. Due to their importance in the financial stability of a country, banks are highly regulated in most countries. Most nations have institutionalized a system known as fractional reserve banking under which banks hold ...

Ijarah, (literally "to give something on rent") is a term of Islamic jurisprudence, and a product in Islamic banking and finance resembling rent-to-own. In traditional fiqh (Islamic jurisprudence), it means a contract for the hiring of persons or services or "usufruct" of a property generally for a fixed period and price. In Islamic finance, al Ijarah usually refers to a leasing contract of ...
