People sleep peaceably in their beds at night only because rough men stand ready to do violence on their behalf. --- George Orwell. I am therefore of the opinion that when a democratic people engages in a war after a long peace, it incurs much more risk of defeat than any other nation; but it ought not easily to be cast down by its reverses, for the chances of success for such an army are ...

A military or an armed force is a professional organization formally authorized by a sovereign state to use lethal or deadly force and weapons to support the interests of the state. It typically consists of branches such as an Army, Navy, Air Force, and in certain countries the Marines and Coast Guard. The task of the military is usually defined as defense of the state, and its citizens, and ...

The Obama Doctrine is a catch-all term frequently used to describe one or several principles of the foreign policy of U.S. President Barack Obama. It is still not agreed whether there was an actual Obama Doctrine. Nevertheless, during an interview with the New York Times, Obama briefly commented about the doctrine saying: "You asked about an Obama doctrine, the doctrine is we will engage, but ...
