

## **le payments the pdf**

Equalization payments are cash payments made in some federal systems of government from the federal government to subnational governments with the objective of offsetting differences in available revenue or in the cost of providing services. Many federations use fiscal equalisation to reduce the inequalities in the fiscal capacities of sub-national governments arising from the differences in ...

Owning a home is part of the American dream. But high home prices may make the dream seem out of reach. To make monthly mortgage payments more affordable, many lenders offer home loans that allow you to (1) pay only the interest on the loan during the first few years of the loan term or (2) make only a specified minimum payment that could be less than the monthly interest on the loan.

Tuition payments, usually known as tuition in American English and as tuition fees in Commonwealth English, [citation needed] are fees charged by education institutions for instruction or other services. Besides public spending (by governments and other public bodies), private spending via tuition payments are the largest revenue sources for education institutions in some countries.
