The word "love" can have a variety of related but distinct meanings in different contexts. Many other languages use multiple words to express some of the different concepts that in English are denoted as "love"; one example is the plurality of Greek words for "love" which includes agape and eros. Cultural differences in conceptualizing love thus doubly impede the establishment of a universal ...

Renegade Editor's Note: This is a contentious theory, with some people even asserting that the Aryans are the true Neanderthals, and that Neanderthals have been given a bad reputation because of this. It does seem entirely likely that Jews do descend from a different species or at least subspecies than the rest of us.
