Motivation is the reason for people's actions, willingness and goals. Motivation is derived from the word motive which is defined as a need that requires satisfaction. These needs could also be wants or desires that are acquired through influence of culture, society, lifestyle, etc. or generally innate. Motivation is one's direction to behavior, or what causes a person to want to repeat a ...

2- Definitions of L2. It is crucial here to mention the difference between a Second and a Foreign language, which are both referred to as L2. People who are living in an English-speaking community/country are learning English as their SECOND language. "The learner of the second language is surrounded by stimulation, both visual and auditory, in the target language and thus has many ...
