It is not my purpose to attempt a real autobiography or story of my life. I simply want to tell the story of my numerous experiments with truth, and as my life consists of nothing but those experiments, the story will take the shape of an autobiography. My experiments in the political field are now known. But I should certainly like to narrate ...

The beginning of my life was simple and much like every other little life. I came, I saw, I conquered, as the first baby in the family always does. There was the usual amount of discussion as to a name for me. The first baby in the family was not to be lightly named, every one was emphatic about that.
