This is a list of songs about California. Many songs have been written about California; some songs describe its people, places, and events, while others touch on Californian experiences and state of mind. This list tries to compile those songs and the artists who wrote them, although many entries include songs covered by artists who did not write the song.

What originally brought to mind Maineâ€™s conception of ancient societies were some passages I read in Nassim Nicholas Talebâ€™s latest book Skin In the Game.. Taleb makes the point that things donâ€™t necessarily scale up; when they do, they lose the characteristics that allow them to operate on the smaller scale.
