The National Higher Education Entrance Examination, commonly known as the gaokao (é«~è€f) was created in 1952. The unified national tertiary entrance examination in 1952 marked the start of reform of National Matriculation Tests Policies (NMTP) in the newly established PRC. With the implementation of the first Five Year Plan in 1953, the NMTP was further enhanced.

Healthy marine species like whales, sea turtles, coral, and salmon are important for maintaining balanced and thriving ocean ecosystems. We work to prevent marine species populations from decline and extinction, protect them from human activities, and monitor activities that might impact them so they are around for future generations.
