These essays are not intended to replace library research. They are here to show you what others think about a given subject, and to perhaps spark an interest or an idea in you.

### **Essays on Early 17th Century English Literature**

The first copyright law was a censorship law. It was not about protecting the rights of authors, or encouraging them to produce new works. Authors' rights were in little danger in sixteenth-century England, and the recent arrival of the printing press (the world's first copying machine) was if anything energizing to writers.
