Course of the Royal Road. The course of the road has been reconstructed from the writings of Herodotus, archeological research, and other historical records. It began in Asia Minor (on the Aegean coast of Lydia, about 60 miles east of Åzmir in present-day Turkey), traveled east through what is now the middle northern section of Turkey (crossing the Halys according to Herodotus), and passed ...

Have you ever struggled with either or neither, wondering if they referred to subjects singular or plural, wondering if they took singular or plural verbs?. Have you looked up either and neither only to find competing rules about their use, about whether they are indeed singular or plural?. Let's look at both words and settle the issue of subject-verb agreement when they're used as subjects.
