The Philippines over the weekend shipped back to South Korea tons of garbage stored in 51 container vans, officials said Monday, six months after the trash arrived in the port of Tagoloan, in southern Misamis Oriental province.

Basel Action Network

Simply put, a network is a set of objects, called "nodes," and the connections between them. Networks are mathematically versatile: They can represent computers and the wires that connect them, authors and their collaborations, or the states of a Rubik's cube and the moves that transform them " essentially any set of connections, real or abstract.
