### **Measuring The Impact Of Training**

Onboarding, also known as organizational socialization, refers to the mechanism through which new employees acquire the necessary knowledge, skills, and behaviors in order to become effective organizational members and insiders. It is the process of integrating a new employee into the organization and its culture. Tactics used in this process include formal meetings, lectures, videos, printed ...

Principals of Successful On-Boarding Programs More and more companies are establishing formal

on-boarding programs. According to Madeline Tarquinio, 76% of firms now have a formal on-boarding program, up from 40% in 2005. However, only 7% of the training budgets are spent on orientation and on-boarding programs. [12] Does that investment outweigh the costs of losing employees soon after they ...
