American televangelist Pat Robertson, with his 1991 best-selling book *The New World Order*, became the most prominent Christian popularizer of conspiracy theories about recent American history. He describes a scenario where Wall Street, the Federal Reserve System, the Council on Foreign Relations, the Bilderberg Group and the Trilateral Commission control the flow of events from behind the ...

The New World is one of the names used for the majority of Earth's Western Hemisphere, specifically the Americas (including nearby islands such as those of the Caribbean and Bermuda).. The term originated in the early 16th century after Europeans made landfall in what would later be called the Americas in the age of discovery, expanding the geographical horizon of classical geographers, who ...

In recent years, the Business History Conference has sprouted several interest groups that have coalesced around perceived needs. The first two, "Women in Business History" and "Business Historians at Business Schools," meet informally over lunch at the annual meeting to discuss issues in the profession and to network. The "Emerging Scholars" group began informally, but its leadership now ...
