My Child Has Night Terrorsâ€”What Can I Do? It can be hard to watch your child have night terrors: when they scream and cry inconsolably at night. Dr. Cindy Gellner explains why a small percent of children experience these and how you can help when it happens. Although night terrors usually stop eventually, there are some signs that itâ€™s more ...

For example, when I began to help my children with their sleep issues, I had to wade through all those feelings I had as a child about being afraid at night and desperately wanting to be in my parents' bed. I also had to work on the feelings behind my consequent passionate belief in co-sleeping and breastfeeding on demand.
