This is a list of science fiction novels, novel series, and collections of linked short stories. It includes modern novels, as well as novels written before the term "science fiction" was in common use. This list includes novels not marketed as SF but still considered to be substantially science fiction in content by some critics, such as Nineteen Eighty Four.

Rendezvous with Rama is a science fiction novel by British writer Arthur C. Clarke first published in 1973. Set in the 2130s, the story involves a 50-kilometre (31 mi) cylindrical alien starship that enters the Solar System. The story is told from the point of view of a group of human explorers who intercept the ship in an attempt to unlock its mysteries.
