Once students successfully complete the program, they are awarded a Master of Science in Nursing degree and are able to apply to take either, or both, of the national certification exams for Family Nurse Practitioners offered by the American Academy of Nurse Practitioners and the American Nurses Credentialing Center.

UAB - School of Nursing - Family Nurse Practitioner

Most nurse practitioner (NP) schools require their prospective students to compose a personal statement. Often, these elusive essays cause applicants to panic, but with just cause: personal statements are one of the most important components of NP school applications.

Writing Your Nurse Practitioner School Personal Statement

The Neonatal Nurse Practitioner specialty prepares nurses at the master's level as an advanced practice nurse who is able to diagnose and manage the health problems of newborns, infants and toddlers up to the age of two, who are acutely ill, or have a long-term health problem that requires monitoring or hospitalization.

UAB - School of Nursing - Neonatal Nurse Practitioner

Nursing is a profession within the health care sector focused on the care of individuals, families, and communities so they may attain, maintain, or recover optimal health and quality of life. Nurses may be differentiated from other health care providers by their approach to patient care, training, and scope of practice. Nurses practice in many specialties with differing levels of prescription ...
