The barn owl (*Tyto alba*) is the most widely distributed species of owl and one of the most widespread of all birds. It is also referred to as the common barn owl, to distinguish it from other species in its family, Tytonidae, which forms one of the two main lineages of living owls, the other being the typical owls (*Strigidae*). The barn owl is found almost everywhere in the world except polar ...

The Pottery Barn rule is an American expression alluding to a policy of "you break it, you bought it" or "you break it, you buy it" or "you break it, you remake it", by which a retail store holds a customer responsible for damage done to merchandise on display. It generally "encourages customers to be more careful when handling property that's not theirs".
