No true Scotsman or appeal to purity is an informal fallacy in which one attempts to protect a universal generalization from counterexamples by changing the definition in an ad hoc fashion to exclude the counterexample. Rather than denying the counterexample or rejecting the original claim, this fallacy modifies the subject of the assertion to exclude the specific case or others like it by ...

Love it Sharon!! We need some kids to obsess over science in the same way that they obsess over video games. Get them hooked. Get them making things (licit things mind you) in their basements/garages/bedrooms. Rocket Boys is a great novel (non-fiction) about a couple of kids in West Virginia who got really interested in rockets and started making some really sophisticated things.

That's™s what kids used to do for fun? | I Can Has Science?

You know exactly who you are. You're the one who really has tried everything to get him to come around and fully commit. You're the one who's given him more than enough time to come around and finally make the commitment that would make everything perfect.. And now you know all that's left to do is accept that he just isn't there, isn't on the same page you are, and let him go.
